AI Moderation Tools (future)

Version 2.0 Ideas (Already Planned)

These are not required for the first launch but should be designed so they can be added later without rebuilding the app:

- ShopNear Pay
- ShopNear Delivery
- Escrow Payments
- Business Subscription Plans
- In-app Advertising
- Booking & Appointment System
- Business Analytics Pro
- AI Voice Assistant
- QR Business Cards
- Multi-language Support (English, Hausa first)
